

ANNOUNCEMENT FOR RE-ENTRY OF FOREIGNERS TO MYANMAR

- 1.** During COVID-19 Pandemic period, companies which have received Myanmar Investment Commission (MIC) permit or endorsement and companies which have registered with Myanmar Companies Online (MyCO), submit applications to MIC and, Directorate of Investment and Company Administration (DICA) for re-entry of their foreign experts to Myanmar by relief flight.
- 2.** In this regard, the national level organizations and ministries are instructed to scrutinize whether the requested person is urgently required for re-entry or not and issue recommendation only for that person if the National Level Central Committee for Prevention, Control and Treatment of COVID-19 requests for the recommendation and instructed to the Ministry of International Cooperation to access on this matter.
- 3.** According to the decision of National Level Central Committee for Prevention, Control and Treatment of COVID-19 Meeting, Ministry of Labor, Immigration and Population does not grant arrival visa for foreigners of local projects, businesses, construction and governmental projects.
- 4.** Hence, all companies which have received MIC permit or endorsement and companies registered with MyCO, must directly contact to respective Myanmar Embassies regarding with re-entry of foreign officers and members who are included in Company Extract Form and their families by relief flight. MIC and DICA will coordinate with the respective Embassies, Ministry of Foreign Affairs and Ministry of International Cooperation when they request for the confirmation on this regards.
